PURPOSE

The purpose of the program is to increase the relationship between staff and students and make a cohesive and fun environment in the college.

OBJECTIVE

- To take care internal customer of I-Systems College Klang
- To promote healthy competitive culture among staff and students
- To increase the relationship between staff and students.

DATE

24 April 2018

INVOLVEMENT

All I-Systems College Klang staff and students.

OBSERVATION

All staff and students were assembled at 9.00 in front of the Aliya Hotel to be counted and brief about the flow of the events. We leave I-Systems around 9.45 a.m. and reach there about 10.30 a.m. Due to sudden rainfall we could not simple outdoor activities as planned at Setia City recreational field beside the mall. The game started at 12.30 after registration and we were given 10 minutes training session by Wangsa Bowl. The event finished around 2.30 p.m since there were some delayed from few groups that have problems in their lanes. After the rewards ceremony, everybody was given 30 minutes of lunch session before going back to college around 3.00 p.m.

RECOMMENDATION

More program that involved students and staff should be done frequently since students actually thirst for college activities. It helps to bond and strengthen the relationship between the staff and students. It also helps to preserve and improved the brand of I-System in the eye of it most vital internal customer and create good memories here.
