Bridging Theory and Practice: Real-World Preparation for Our Future Nurses

COMMUNITY HEALTH SERVICES IN NURSING
School Health Services Programme (SHS)

The attachment of I-Systems nursing students to the School Health Services (SHS) program plays a vital role in enhancing community nursing services, which contribute to the health improvement of future generations.

Community Health Services

Clinical instructors, nursing lecturers, and community health clinic representatives mentor nursing students throughout this community nursing placement, helping to shape them into competent future nurses.

Are you passionate about helping others? Start your rewarding career in nursing today with our 2025 Full Sponsorship Program—with guaranteed employment upon completion!
